I understand why you love Pekopon  
Dororo, for I too have fallen  
under the spell of its action-  
packed manga... the scent of new  
Gundam fighters in their boxes...  
the thrill of an internet search.

21.20 KERORO

We can't let the Pekoponians destroy  
all this with their silly wars. Let  
us join forces to conquer this  
planet and rule it in peace

21.29 DORORO

Yes - you are right Sergeant.
